Sir,

I have the honor to state that, in the interests of the Lunatic Asylum it is necessary to have the entire medical staff of the Asylum living in the premises, to be always available for emergencies.

2. Owing to want of accommodation, however, the Superintendent and one of the Sub Assistant Surgeons only have been provided with quarters till now. The shifting of the Vaccine Institute to the Lalbagh Lodge, has rendered it possible to provide the other Sub Assistant Surgeon also with accommodation in one of the out-houses which, with slight repairs could be made comfortable enough for the Sub Assistant Surgeon to live in.

3. As the duties of the two Sub Assistant Surgeons are almost alike, I request that Government may be pleased to order the second Sub Assistant Surgeon attached to the Asylum as entitled to free quarters and also sanction a charge allowance of Rs.10/- to him in consideration of the exacting nature of the work & the personal inconvenience involved in the arrangement.

As regards the authority for his occupation of quarters free of rent, I may say that he has been allowed to occupy one of the available buildings or rooms in buildings in the compound of the institution and no sanction of Government appears to have been applied for and obtained. Sir,

With reference to your letter No.5664/Med.13-15-10 dated the 3rd February 1916, and subsequent correspondence ending with this office No.10910.A dated the 31st October 1916, regarding the conversion of one of the outhouses in the Lunatic Asylum at Bangalore, into quarters for the Junior Sub-Assistant Surgeon, I have the honour to forward herewith, for favour of disposal, a copy of letter No.868 dated the 9th September 1916, and its enclosures, received from the Executive Engineer, Bangalore Division, reporting that the proposal is not desirable to be adopted for reasons therein given and I concur with the Executive Engineer's opinion.

2. A separate building may be constructed for the Sub-Assistant Surgeon at the site recommended by the Executive Engineer, if it is absolutely necessary to do so. Letter No.868 dated the 9th/11th September 1916, from the Executive Engineer, Bangalore Division, to the Superintending Engineer, Southern Circle.

Conversion of Calf Sheds into quarters for the Sub-Assistant Surgeon, in the compound of the Lunatic Asylum.

-----::0::-----

With reference to your No.7878 dated the 22nd August 1916, regarding the advisability of converting the calf sheds into quarters for Sub-Assistant Surgeon, I have the honor to report that it does not appear desirable to do so on the following grounds:--

1.The Avenue road, when extended and realigned will run on these sheds (vide sketch No.2 received from the Sanitary Engineer hereto attached). The buildings will have to be removed if the road is widened.

2. If the sheds be converted into quarters, the space in front of the quarters of the Superintendent, Lunatic Asylum, will get cramped to the inconvenience of the Superintendent and the Senior Sub-Assistant, who now live there.

Moreover the location of a latrine (as proposed) by the side of the compound wall adjoining the Avenue Road will be a source of nuisance to the public (vide sheet No.3).

3. The cost of converting these sheds into quarters works up to Rs.2,100/- as per plan and estimate submitted long ago. But a new building costing about Rs.2,200/- may well be constructed instead. The design may be that adopted for Sub-Assistant Surgeon's quarters in the Districts (vide drawings submitted).

The new buildings may be located at the site marked A in sketch No.1.

The drawings herewith submitted may kindly be returned when done with.
